

Save the  
earth

# 3R

We can use the  
3R to protect the  
environment.

## Recycle (循環再造)

## Reuse (循環再用)

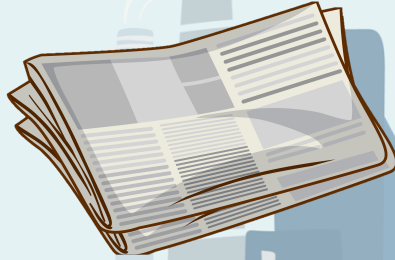

## Reduce (減少使用)

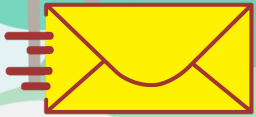

# Recycle

We can put them separately  
into different  
recycling bins (回收桶)!

Plastic bottle (膠樽)

Newspaper (報紙)

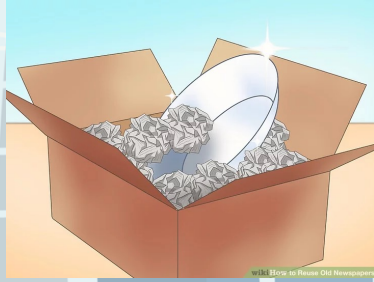

Envelope (信封)

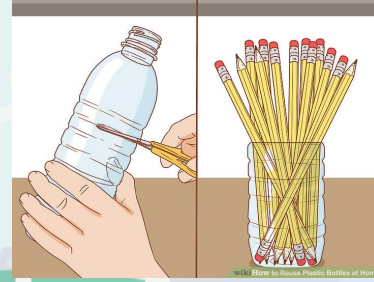

Steel can (鐵罐)

# Reuse

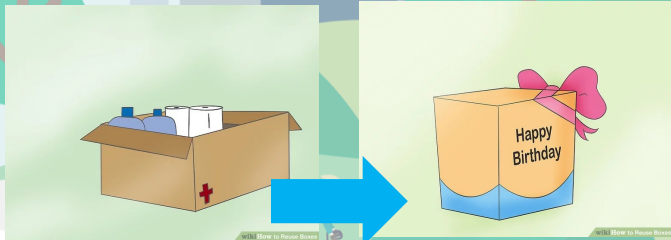

We can reuse(重用)  
them after cleaning.

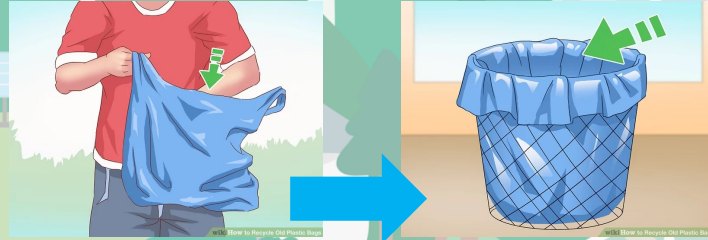

Newspaper

Plastic bottle

Carton (紙皮箱)

Plastic bag

# Reduce

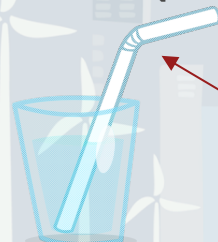

We can reduce (減少) using them to protect the environment.

Plastic bag

Disposable tableware  
(即棄餐具)

Plastic drinking straw  
(膠飲管)

watch the video to know more about how to  
recycle, reuse and reduce!

# Should/Should not

We use “should” to talk about things that are correct to do.(應該)  
And we use “should not” to talk about things that are incorrect  
to do.(不應該)

We should  
recycle newspapers,  
reuse plastic bottles and  
reduce using plastic drinking straws!

There are many things that we can do at **home** or **outside** to protect the environment.

# Home

We should

Turn off lights when leaving  
(在離開時把燈關掉)

Turn off the TV when leaving  
(在離開時把電視關掉)

We should not

Waste water  
(浪費食水)

Waste papers  
(浪費紙張)

# Outside

We should

Use public transport  
(使用公共交通工具)

We should not

Litter  
(亂拋垃圾)

Bring your own bag  
(自備購物袋)

Waste food  
(浪費食物)
