29<sup>th</sup> November, 2020

## **Important Notice**

Dear Parents/Guardians,

Our school was informed in the afternoon of 27<sup>th</sup> November 2020 that a family member of one of our students had been tested positive for Covid-19.

Our school has immediately reported this case to the District Office of the Education Bureau. As this student has not yet been confirmed case, and neither has he or she been regarded as a close contact, our school will be resumed on Monday according to the guidelines.

All school activities were suspended and hired a professional disinfection company conducting a thorough campus cleaning and disinfection today.

Our school is keeping a close eye on the testing report of this student and a close contact with the Centre for Health Protection, monitoring the health conditions of the school students and teachers. We will inform all the parents as soon as possible when there is further information. You are welcome to contact our school if in doubt.

Yours sincerely,

Buddhist Yip Kei Nam Memorial College
